PRICE REDUCTIONS!!!

Big box stores aren't the only ones that can roll back prices! The staff at Esoterica has been going through the store with a big red pen and re-pricing our gorgeous goodies. We want everyone to have a Merry May, and we know it's hard out there right now. Crystal and clothing prices have dropped—some by as much as 50%! As new shipments for things come in we have been either bringing down their prices, or not increasing them if the wholesale costs went up. Come check out the new pendulums and banners, new evil eye talismans, bells, tingshas, bags...our Spring restock is fantastic and the prices are even better!!
